## SPONSORSHIP PACKAGES 2023

Contact [Jodie@physcap.org](mailto:Jodie@physcap.org) or call **07976 625 040**

Registered Charity No: 512422

**Established in 1970, PhysCap is a Yorkshire based charity run completely by volunteers and we are dedicated to improving the quality of life for children with physical and learning disabilities. PhysCap provide financial support to families who may have limited funds to buy specialist equipment or therapeutic resources for their children, to help make their lives a little easier.**

Over the past 50 years we have supported children with conditions such as Cerebral Palsy, Autism Spectrum Disorder, Downs Syndrome, Angelman's Syndrome and Muscular Dystrophy and have provided countless families with equipment ranging from walking frames, specialist car seats, power wheelchairs, to adapted trikes. We've also supported our local schools by providing necessary sensory therapeutic resources and multi-sensory equipment. We have built a state of the art sensory room, created an accessible school playground and funded a trip to a fully inclusive and adapted residential centre for local children.

Every child and family we meet leaves an imprint on PhysCap and over the years we have felt privileged to be a part of some incredible journeys. As a committee, we are dedicated to fundraising and supporting children, young people, and their families to offer them  
**"Big Help for Little People."**
